HARYANA GOVERNMENT

NEW & RENEWABLE ENERGY DEPARTMENT

Order

The 5th October, 2021

No. HAREDA-01/8/2020-Technical NRE-NRE/HAREDA.—The Government of Haryana has formulated Haryana Bio-energy Policy 2018 to promote generation of energy from surplus biomass in the State. To ensure continuous and sufficient amount of biomass for Biomass based Power Projects, Compressed Biogas Projects, Ethanol Projects and other projects, the New and Renewable Energy Department, Haryana is hereby authorized to form and allocate cluster of villages producing biomass in vicinity of Biomass based project as per its requirement in consultation of the Agriculture and Farmers Welfare Department, Haryana.

The cluster shall be allocated to biomass based project on submission of Detailed Project Report approved by competent authority, as applicable, land documents (either on lease or on outright purchase basis etc.) and on financial closure of the project by Financial Institutions. During the allowed time period of setting up of biomass based project and after its commissioning, no other biomass based project utilizing same biomass as feed material shall be allocated in that cluster of villages till the life of the project.

P. K. DAS,

Additional Chief Secretary to Government of Haryana,
New and Renewable Energy Department.
